2025 Symposium Exhibitor Agreement Form

Dear Exhibitor,

We are pleased that your company will be represented as a sponsor/exhibitor at the **TRAC-V 6th Annual South Texas Comprehensive Healthcare Symposium**, which is a CME activity provided by South Texas Health System McAllen. The TRAC-V Symposium is scheduled for May 1st and 2nd, 2025 at the Courtyard by Marriott SPI, 8:00 AM – 5:00 PM.

As an accredited CME provider, South Texas Health System McAllen is governed by the Accreditation Council for Continuing Medical Education and Texas Medical Association Standards for Commercial Support of Continuing Medical Education. In accordance with these standards, South Texas Health System McAllen has established the following policies for commercial exhibits held in conjunction with its educational activities:

- Arrangements for exhibits may neither influence planning nor interfere with the presentation of the educational activity
- Exhibits cannot be a condition of the provision of commercial support for CME activities
- Commercial / promotional materials may not be displayed or distributed in the same room immediately before, during, or immediately after the CME activity
- Representatives of Commercial Supporters and exhibitors may attend the CME activity if they wish, but may not engage in sales activity in the conference room where the educational activity is being held

Exhibitors will only be allowed in the Exhibitor area during the conference. The exhibitors/vendors may not enter the conference room advertising any company logo (i.e., wearing company uniforms or distributing handouts, materials, equipment, and/or supplies). The exhibitors must stay at their table/area before, during, and after the conference closing. Exhibitors may not hold any meetings or events that will conflict with the Conference Hours. We appreciate your cooperation with this matter.

To meet the requirements of the standards and to maximize benefits to you as an exhibitor, we have made the following arrangements for exhibitors at our conference.

- Exhibits will be placed in a centralized, high traffic area, located next to the educational activity.
- Exhibits may be displayed between the hours of 7:00 AM and 5:00 PM
- Attendees will be encouraged to visit the exhibitor tables and refreshments will be placed near the exhibit area

We appreciate your support and would welcome your comments and suggestions regarding exhibit arrangements. Please feel free to contact TRAC-V if you have any questions.

Respectfully,

Nathan Ramon, MPA
Executive Director, TRAC-V
